

To bring your vision to life, we'll need a few key details. Please provide the following information when you submit your request:

- **Tech Pack & Design:** Do you have a complete tech pack with garment specifications? If not, please provide a clear garment sketch and any relevant design details.
- **Number of Styles:** Let us know how many individual styles you'd like us to work on.
- **Base Size & Measurements:** Please specify the **base size** for the pattern and provide the corresponding body measurements (e.g., Base Size Medium: bust 35", waist 28", hip 37").
- **Size Range:** What is the full-size range for your product (e.g., XS-XL, 2-12)?
- **Fabric & Content:** What fabric and content will you be using for each style (e.g., 100% cotton woven, 95% polyester/5% spandex knit)?
- **Target Market:** Who is your target customer (e.g., misses, juniors, plus size, men's)? This helps us ensure the garment fit is perfect for your intended market.
- **Reference images:** If available

Once we have this information, we can provide you with a comprehensive quote and timeline for your project.

We look forward to the opportunity to work with you.
